

<b>Mechanism</b>	<b>Circumstances</b>	<b>Object causing trauma</b>	<b>Outcome of treatment</b>	<b>picture</b>
Collision with pedestrian	Rider hits pedestrian	Pedestrian body	Severe laceration; surgical and medical treatment given.	
Blunt Trauma	Car collision	Steering wheel	Contusion; improved vision with treatment	
Penetrating Injury	Motorcycle crash	Broken glass	Surgical intervention; partial vision recovery	
Chemical Injury	Fuel spill	Gasoline	Corneal burns; long-term follow-up needed	
Blunt Trauma	Pedestrian hit	Car body	Bruising; full recovery expected	

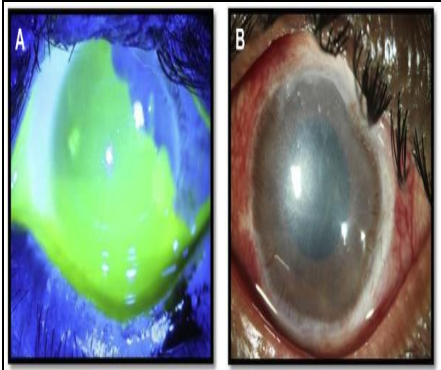

Foreign Body	Bicycle accident	Road debris	Removal of debris; good visual outcome	
Blunt Trauma	Rollover accident	Airbag deployment	Minor contusion; resolved with monitoring	
Penetrating Injury	Collision with a fixed object	Metal fence	Surgical repair; vision partially restored	
Thermal Injury	Fire from an accident	Flames	Severe burns; reconstructive surgery done	
Blunt Trauma	Truck collision	Truck front	Vision loss; requires specialist intervention	
Chemical Injury	Battery acid leak	Battery acid	Severe corneal damage; vision not fully restored	
Blunt Trauma	SUV crash	Dashboard	Contusion; good prognosis	

Foreign Body	Off-road biking	Stones	Foreign body removed; minimal impact on vision	
Penetrating Injury	Bicycle crash	Broken mirror	Surgical t/t given; partial recovery	
Blunt Trauma	Hit by falling object	Signboard	Bruising; full recovery expected	
Chemical Injury	Spillage during maintenance	Industrial chemicals	Corneal irrigation; long-term follow-up needed	
Blunt Trauma	High-speed collision	Airbags	Minor trauma; full recovery	
Penetrating Injury	Collision with glass door	Shattered glass	Surgical intervention; vision partially restored	
Blunt Trauma	Impact from another vehicle	Vehicle body	Contusion; monitoring and supportive care	

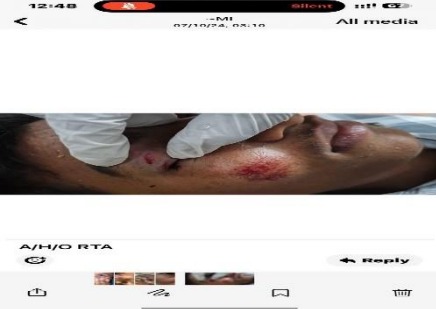

Foreign Body	Collision with tree	Wood	Removal of splinters; good visual outcome	
Blunt Trauma	Taxi accident	Taxi body	Minor injury; full recovery expected	
Chemical Injury	Roadside chemical spill	Corrosive substance	Immediate irrigation; potential for long-term damage	
Blunt Trauma	Cycling accident	Vehicle front	Contusion; expected to recover fully	
Blunt Trauma	Collision with pedestrian	Human body	Minor bruising; full recovery expected	
Thermal Injury	Car fire	Flames	Severe burns; vision impairment	

Chemical Injury	Accident at gas station	Fuel	Immediate treatment; follow-up for scarring	
Blunt Trauma	Rear-end collision	Vehicle	Minor contusion; good prognosis	
Foreign Body	Motorcycle crash	Road debris	Debris removal; good outcome	
Blunt Trauma	Bus accident	Bus body	Contusion; full recovery expected	
Chemical Injury	Car battery explosion	Acid	Severe corneal damage; poor prognosis	
Blunt Trauma	Collision with guardrail	Guardrail	Minor trauma; full recovery expected	

Foreign Body	Falling debris	Metal pieces	Removal of foreign body; good visual outcome	
Blunt Trauma	Head-on collision	Vehicle	Moderate contusion; medical treatment provided, monitoring required	
Penetrating Injury	Impact with sharp object	Broken glass	Surgical intervention; vision recovered	
Thermal Injury	Car fire	Heat	Severe burns; reconstructive surgery needed, poor prognosis.	
Chemical Injury	Accidental chemical spill	Corrosive substances	Immediate treatment; risk of long-term damage	

Blunt Trauma	Collision with cyclist	Bicycle	Minor injury; good recovery expected	
Foreign Body	Truck accident	Road debris	Removal; minimal impact on vision, medical treatment given.	
Blunt Trauma	Side impact	Vehicle	Minor bruising; full recovery expected	
Blunt trauma	Side impact	vehicle	Both surgical and medical treatment given	

Blunt Trauma	Impact from overturned vehicle	Car body	Minor contusion and laceration; both surgical and medical treatment given	
Motorcycle accident	Skidding on wet road	Ground impact	Contusion; sutured and medical treatment given	
Fall from vehicle	Patient falls out of car	Pavement	Laceration; surgical and medical treatment given	

<p>Fall from bike</p>	<p>patient falls during sharp turn</p>	<p>Handlebar</p>	<p>CLW; full recovery expected, medical and surgical treatment given</p>
